Welcome Home to a Better Real Estate Experience

Dedicated to serving our sales associates and clients with a passion for over 24 years as Broker of the 8101 College Blvd office and a Broker/Owner since 1997, I have added Business Coaching for all new agents and others who need a boost. It's a great opportunity to enhance our agents' businesses and offer them a more secure future in the real estate arena. As a Kansas Real Estate Commissioner for 4 years and member/chair of the Governmental Affairs Committee on both a state and local level, this has offered me the opportunity to bring pertinent, critical information to our 8101 office and our company. It is important to maintain an office environment where our sales associates thrive and grow their businesses and have complete support.

Personal

Married with 2 children and 4 grandchildren

My husband and I were transferred across the country from Kansas City to Atlanta, San Francisco, Chicago, Cincinnati, Chicago and back to Kansas City from 1972 through 1981. We purchased a home in every city never dreaming we would continue to be transferred. No wonder I got into real estate.

I love my family, reading books, am a movie aficionado and cooking (no clean-up however!). I also have a great love for words, learning and cooking terms - who would know. #1 place to go is Pittsburgh, PA, followed by Boston, San Francisco, Europe and anywhere a cruise will take me.

Interests

Reading, traveling, "words", learning and visiting home in Pittsburgh, PA.
