Welcome Home to a Better Real Estate Experience

Prior to entering the real estate profession, I practiced law in Kansas City for nearly 13 years. I then managed a customer service call center for a few years. And now, I am selling real estate using, among others, the negotiation and customer service skills I learned during my earlier careers and have been doing so since early 2007. I couldn't be happier with my choice to sell real estate!

Testimonials

"Heidi Youngs is an amazing agent. She made the entire process of selling our home simple and totally seamless.

Heidi made the whole process of selling our house incredibly straightforward. This is despite the fact that we had to sell after we had already moved out of Kansas City and were handling everything virtually.

If anyone in Kansas City is looking for a realty agent I cannot recommend Heidi Youngs highly enough."

"Heidi,

We really couldn't have asked for a better house-hunting experience and realtor. We are so incredibly thankful that we have gotten to know you. We absolutely adore our house, and I know we wouldn't be there right now if it were not for your wisdom, diligence, and energy at 200% the entire time. We feel as though you are part of our family now in this home you've helped us create. Can't thank you enough for all that you've done!" 7/5/17 - Montana Koenig
