Welcome Home to a Better Real Estate Experience

Prior to entering the real estate profession, I practiced law in Kansas City for nearly 13 years. I then managed a customer service call center for a few years. And now, I am selling real estate using, among others, the negotiation and customer service skills I learned during my earlier careers and have been doing so since early 2007. I couldn't be happier with my choice to sell real estate!

Testimonials

"Heidi and Lindsey dealt with both my ex wife and I while we were in the midst of our divorce. They were both professional, and very understanding as we were both selling our home and each purchasing our new respective homes. They were both great during the difficult time." - Mike Ales
